Seed of the varieties listed above is supplied by Agripro COKER to "Grower" for research, advertising and demonstration purposes only. Each variety or experimental line is a proprietary product of Agripro COKER for which protection is granted or applied for under the federal Plant Variety Protection Act and Title V of the Federal Seed Act. Further the seed may contain proprietary products protected by one or more patents. At all times, AgriPro COKER shall have and retain all right, interest and title to all seed provided for research, advertisement and demonstration purposes and also retains all rights, interest and title to all plants growing from seed. Grower represents and warrants that no seed will be harvested from these plants for private use. Further, Grower represents and warrants that all grain produced from these plants will be harvested in bulk and sold as commercial grain. Growers must be able to document this sale of commercial grain. No secondary distribution, selection, crossing or breeding of any kind is allowed in the designated materials.

This agreement shall inure to the benefit of and be binding upon the parties hereto, their heirs, devisees, legal representatives, successors and assigns.
